ABOUT ME

i am a responsible person who is great at accommodating with flexible schedules. I work hard to maintain a steady work ethic and a quick learner on the job.

EDUCATION

IMPERIAL VALLEY COLLEGE
2016 -2019

HOLTVILLE HIGH SCHOOL
2012-2016

EXPERIENCE

FIELD TECHNICIAN
SIERRA MATERIAL TESTING & INSPECTION | 2 YEARS

- Performed ground compaction testing using nuclear gauge to find optimal compaction levels
- Surveyed soil moistures by obtaining soil samples, delivering to lab, and performing moisture tests
- Sampled concrete pours and inspected the slump and temperatures to confirm they abide by construction plan specifications
- Spoke to clients about scheduling their needed testing for either soil or concrete sampling

LEAD TUTOR
IMPERIAL VALLEY UPWARD BOUND

- Improved students understanding of troubled subjects through innovative teaching.
- Subjects tutored were math, science, English, social studies and geography
- Spoke with parents of students about scheduling meetings, student grades, and upcoming events

SKILLS

- Great with Computers
- Knowledge of Excel, Word, and PowerPoint
- Speaks fluent English and Spanish

WEBSITE PROJECTS

Weather Page: https://github.com/rubbertoe64/weather-page
Displays weather for cities you search for!
